## NO HOST SOCIAL HOUR

### DIRECTORS MEETING

All consignors, visitors, potential buyers, members are invited to attend a No-Host Social hour—Dinner and directors meeting of the Tri-State Shorthorn group on February 12, 1973 at the Red Lion Motor Inn, Pasco, Washington. Dress will be informal. Social Hour begins at 6:30 p.m. with dinner at 7:30 p.m.

## WELCOME

This is the first sale of the newly organized Tri State Shorthorn group. Organized in the late fall of 1972, members, directors and officers felt the organization should concentrate on merchandising the best of their cattle.

As a result, they began by pre-sale sifting of potential sale cattle. At sale time, cattle will be observed and, if necessary, will be eliminated so that only sound cattle will move through the ring.

Directors also felt that a strong number of range bulls should be offered as well as a few herd bull prospects for purebred breeders attending such a sale. Females were added offering further numbers and quality. Outstanding cows, heifers and calves will be offered. One consignor, a young girl and her brothers are offering their entire female foundation herd for sale.

Pedigrees, records and structural notes on this offering by some 21 Northwest consignors could prove to be the "Northwest's Very Best."

We invite you to come early Monday to view the cattle or even Tuesday morning. Then you are also invited to join us at the Red Lion Motor Inn, Pasco, for a little socializing, food and business.

Jim Larson  
President  
Tri State Shorthorns
